

# Stark Naturals

## Bamboo Flooring

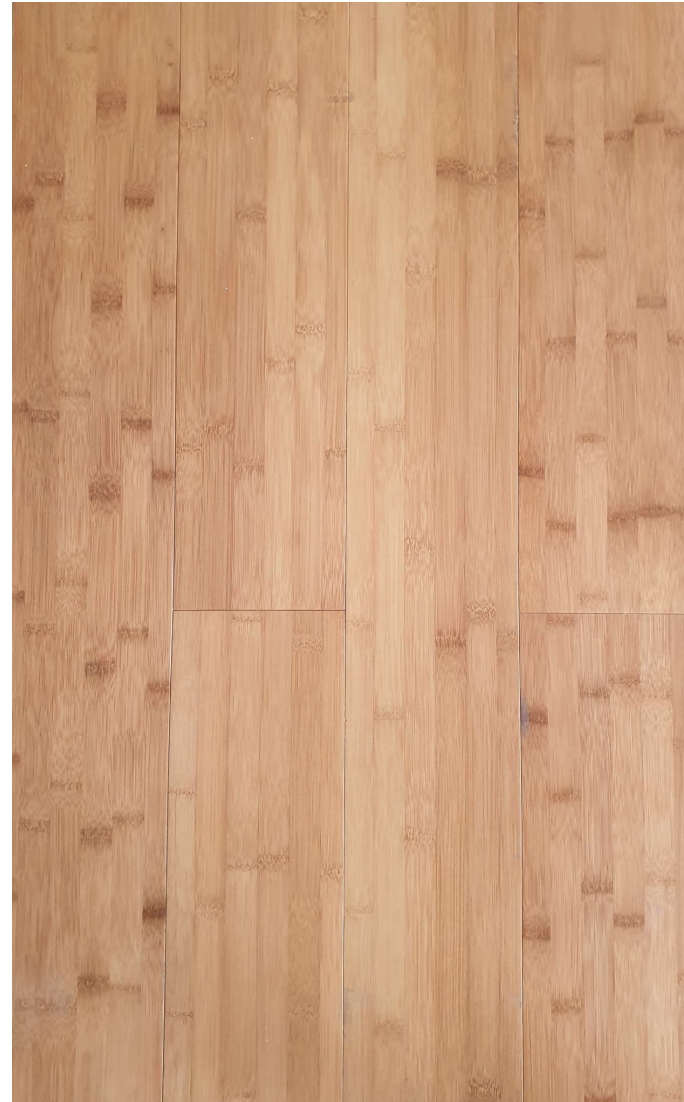

# Carbonized Horizontal

Dimensions : 1020 x 130 x 15mm  
(wide strips, UV finished)

Packing : 22.84 sqft / 16 planks

Installation : Tongue & Groove nail-  
down over plywood / Glue down  
over concrete.

This is the original bamboo pattern,  
it shows the growth nodes of the  
bamboo stalk.

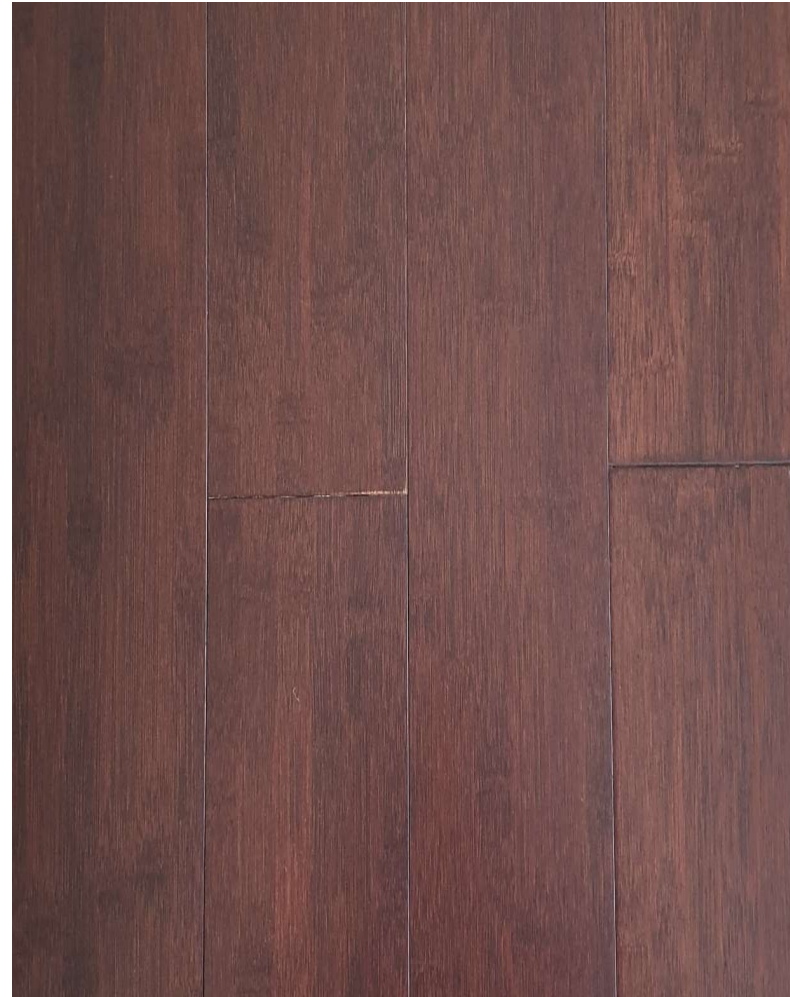

# Classic Chestnut

Dimensions : 1020 x 130 x 15mm  
(UV finished)

Packing : 22.84 sqft / 16 planks

Installation : Tongue & Groove nail-down over plywood / Glue down over concrete.

This colour is created by staining the surface with a Chestnut coloured stain.

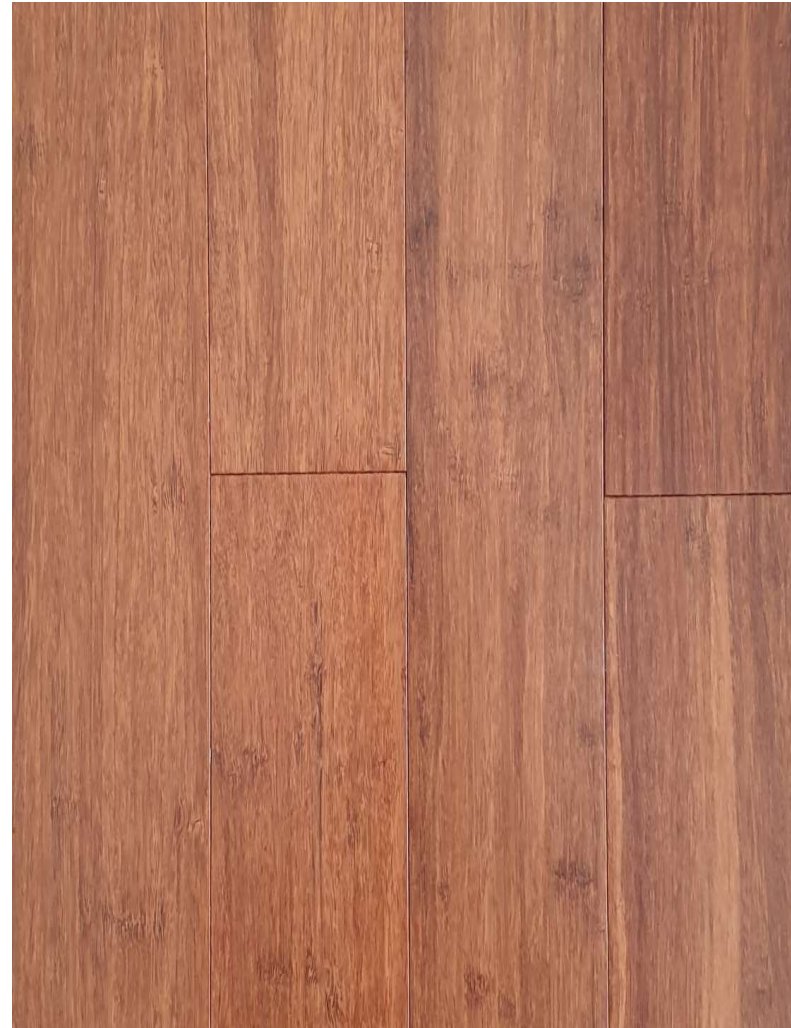

# Strand woven Bamboo

Dimensions : 920 x 96 x 14mm (UV finished)

Packing : 17.11 sqft / 18 planks

Installation : Tongue & Groove nail-down over plywood / Glue down over concrete.

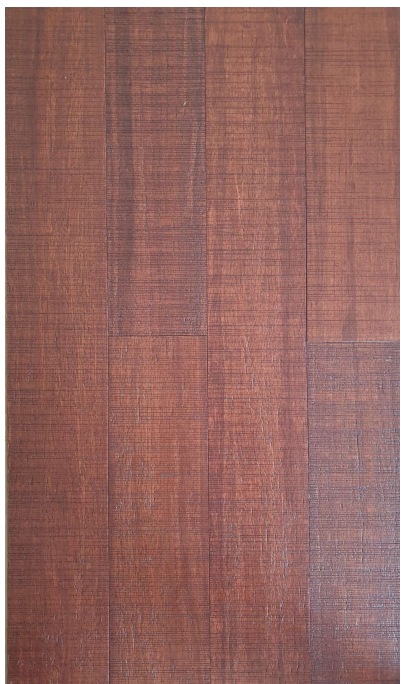

Strand woven bamboo flooring is a sharp departure from traditional bamboo floors. It offers great structural integrity.

## Saw Mark Bamboo

**Brown**

**Chocolate**

Dimensions : 920 x 130 x 14mm

Packing : 20.60 sqft / 16 planks

Installation : Tongue & Groove nail-down over plywood / Glue down over concrete.

Saw mark bamboo flooring has added the stained elements & saw marks, so the surface is smart up, beyond the conventional style of bamboo flooring, to bring you a fresh feeling.
